June 7, 2013

The Honorable Ray LaHood
Secretary
Department of Transportation
400 7th Street SW
Washington, D.C. 20024-2576

Dear Secretary LaHood:

I am writing to express my support for the City of Calabasas' efforts to secure TIGER V funding for the proposed Lost Hills Road at US-101 Freeway Interchange Improvement Project. This project is located in the 33rd District of California, which I represent.

The US-101 Freeway provides regional access for the City of Calabasas, adjacent cities and unincorporated areas of Los Angeles County. The western part of Calabasas, Calabasas Landfill and unincorporated County areas are served by the interchange at Lost Hills Road. The Interchange Improvement Project will widen and replace the Lost Hills Road overpass and address operational, traffic, and safety needs in the area.

The project is of regional significance I ask that you give the Lost Hills Road at US-101 Freeway Interchange Improvement Project TIGER V funding application every consideration, consistent with applicable laws and regulations.

With kind regards, I am

Sincerely,

HENRY A. WAXMAN
Member of Congress
